FOR IMMEDIATE RELEASE  
March 1, 2017

### DIRECTOR OF RESEARCH AND DEVELOPMENT

Catherine Stillwell

Brisbane, March 1, 2017– The Sanctuary of Embracing Difference Ltd. congratulates and welcomes Catherine Stillwell to your new role as Director of Research and Development heading our new research department.

*“Research is how we continue to deliver dynamic and essential programs and projects guided by the needs of the diverse community we service” Leanne Phillips Managing Director*

Catherine Stillwell will be leading our current research project “Inside Out Reducing Recidivism for Aboriginal and Torres Strait Islander Womyn”

“We acknowledge the Sovereign Peoples of this land, their resilience, diversity and connection to country.”
